

Kheeran Inspection Services Inc.

Commitment, Consistency, Communication

Company Announcement.

Kheeran opens Satellite office in the UK

Edmonton, AB (January 1, 2014) – Kheeran Inspection Services Inc. announces that it has made a commitment to service the worldwide oil and gas industry by opening its first satellite office in the United Kingdom.

The office will operate as a way to reach out to new customers and business sectors, all while providing a quicker and more responsive service. All of the services that Kheeran offers including but not limited to quality control management services, quality documentation support, non-destructive testing and consulting services will be offered to the worldwide clients with projects anywhere in the world.

If you require quality control services, you are encouraged to contact Kheeran representatives to arrange a no obligation meeting to learn more about how we approach and execute our service platform.
